I. INTRODUCTION

Before the Court is Plaintiffs Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr. (collectively, "Plaintiffs") and Defendants Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.'s (collectively, "Defendants") (all hereinafter collectively referred to as the "Settling Parties") Joint Motion for Final Approval of the Settlement and Plaintiffs' unopposed Petition for Attorneys' Fees, Expenses, and Representative Plaintiff Awards.

The Court preliminarily approved the settlement and plan for notifying Class Members of the settlement by Order filed June 15, 2026. The Court-appointed Claims Administrator thereafter implemented a comprehensive notice program, administered a thorough claims review process, and provided its determinations and recommendations as to the claims to Class Counsel, Counsel for Defendants, and the Court. On October 27, 2026, this Court held a Fairness Hearing to consider and determine whether to finally approve the settlement and enter judgment thereon. After considering the Settlement Agreement, the Declaration filed by the Claims Administrator (Joseph

Fisher), all documents submitted by the Parties, and after holding a hearing in open Court of which the Class Members were given notice and the opportunity to object and during which the Court heard from Class Counsel, Counsel for Defendants, and the Claims Administrator, this Court finds that the Settlement merits final approval.

For the reasons set forth herein and as more fully detailed below, the Court finds that: (a) the Settlement is fair, reasonable, adequate, and in the best interests of the Class; (b) the Class received comprehensive, robust notice and had the opportunity to be heard and participate, opt out, and/or object to the Settlement, and no Settlement Class Member has objected to the Settlement or opted out; (c) absent Class Members' interests are adequately represented by the Named Plaintiffs and Class Counsel; (d) all aspects of the Settlement, including the Notice to the Class, satisfy the requirements of due process and absent Class Members' due process rights are protected; (e) the Claims Administrator's processing of claims was thorough, fair, and entirely appropriate, and the Claims Administrator's determinations and recommendations as to all claims are fair, reasonable, and appropriate so as to warrant approval by the Court; (f) the requested attorneys' fees, expenses, and representative plaintiff service awards are entirely fair, reasonable, appropriate, and should be awarded; and (g) the Settlement should be given final approval and be implemented pursuant to its terms and conditions.

Accordingly, **IT IS HEREBY ORDERED** that the Settlement is approved, judgment is entered thereupon, and the operative complaint and all claims asserted therein are dismissed with prejudice. **IT IS HEREBY FURTHER ORDERED** that the Court approves and awards all attorneys' fees, expenses, and service awards requested.

II. FINDINGS OF FACT AND CONCLUSIONS OF LAW

In determining that the Settlement should be approved as fair, reasonable, and adequate under Rule 23, SCRCP, and as in the best interests of the Class, the Court makes the following

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

findings and conclusions set forth in this Final Approval Order and Judgment. Additionally, the Court adopts the definitions of terms set forth in the Settling Parties' Settlement Agreement, which is attached hereto as **Exhibit A** and incorporated herein by reference.

Rule 23(a) of the South Carolina Rules of Civil Procedure states:

> One or more members of a class may sue or be sued as representative parties on behalf of all only if the court finds (1) the class is so numerous that joinder of all members is impracticable, (2) there are questions of law or fact common to the class, (3) the claims or defenses of the representative parties are typical of the claims or defenses of the class, (4) the representative parties will fairly and adequately protect the interests of the class, and (5) in cases in which the relief primarily sought is not injunctive or declaratory with respect to the class as a whole, the amount in controversy exceeds one hundred dollars for each member of the class.

In the Order preliminarily approving this settlement, filed June 15, 2026, this Court conditionally certified the Class. This Court reaffirms its finding that the prerequisites for class certification contained in Rule 23 have been met. Specifically, for the reasons set forth in the Order Preliminarily Approving the Settlement and Certifying a Class for Settlement: (1) the members of the Class are too numerous so that joinder of all members is impracticable, (2) there are common questions of law and fact; (3) the Named Plaintiffs' claims and defenses are typical of those of the Class, (4) the Named Plaintiffs and Class Counsel have fairly and adequately represented the Class, and (5) the amount in controversy is met.

The Class certified for this Settlement is defined as:

> All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the

> individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Further, all persons within the Class who did not elect to exclude themselves from ("opt out of") the Class are "Class Members" under the Settlement Agreement.

In the Preliminary Approval Order, this Court approved the notice to be published and the plan for providing notice to the Class Members. In accordance with that Order, and pursuant to the terms of the Settlement Agreement, the Class was notified of: the Action; the Settlement of the Action; their rights to make an appearance and participate in the Action, object to the Settlement, and/or exclude themselves from the Settlement; the requirements and process for submitting a claim; Plaintiffs' intention to seek payment of attorneys' fees, litigation expenses, settlement notice and administration costs, and service awards from the Gross Settlement Fund; and the Fairness Hearing that was held on October 27, 2026, in Spartanburg, South Carolina.

This Court has carefully reviewed and considered the Declaration executed by Joseph Fisher of The Notice Company (attached hereto as **Exhibit B**), as well as the Settlement Notice provided to the Class, and the Court heard from Mr. Fisher at the Fairness Hearing on October 27, 2026. As explained from the bench at the Fairness Hearing, the Court finds that Notice and the means of disseminating the Notice were the best practicable and were reasonably calculated, under all of the circumstances, to apprise the interested parties of the pendency of this Action and their rights therein, including the right to exclude themselves from the settlement and the right to object to it. This Court further finds that the Notice afforded the absent Class Members due process of law insofar as their claims in this Action are concerned, in accordance with the Due Process Clause of both the State and Federal Constitutions, and that the Notice met the requirements of due process and other applicable laws or rules.

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

This Court finds that all of the members of the Class have received adequate and sufficient Notice and have been given an opportunity to participate in the Settlement.

This Court also finds that all of the members of the Class had the opportunity to exclude themselves from the Class and this Settlement. The Claims Administrator has received no requests for exclusion from the Settlement. (**Exhibit B** at ¶ 7).

This Court further finds that all members of the Class were given the opportunity to object to the proposed settlement. No such objection has been received by any of the parties, the Claims Administrator, or the Court. Furthermore, no one appeared at the Fairness Hearing to voice an objection.

This Court has previously found and hereby reiterates its conclusion that the interests of the Class are now and have been represented fairly and adequately by Class Counsel and by the Named Plaintiffs in their prosecution and settlement of the action.

This Court concludes that the settlement is fair, reasonable, adequate, and in the best interests of the Plaintiffs and Class Members. The Settlement affords substantial compensation and benefits to Class Members. It provides finality to the Class, and it provides for payment of the full Class Member Loss to each Class Member whose claim was approved by the Claims Administrator after submitting a proper Claim Form and documentation.

The Court also finds that the Claims Administrator did a thorough and outstanding job in administering a robust and successful Claims Process, and that the Claim Administrator's processing, review, and determinations with respect to all claims was performed in compliance with and according to the terms of the Settlement Agreement and this Court's Preliminary Approval Order. The Notice provided in this case clearly communicated all requisite information about how to make a claim, and the Claim Form was easy to understand and was made available

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

online at the dedicated settlement website. Throughout the Claims Process, the Claims Administrator took appropriate action to protect the Settlement and the Settlement Fund against fraud, successfully screening out thousands of fraudulent and invalid claims and ensuring that the Settlement Fund would be available to fully compensate for the losses of Class Members who submitted valid claims. The Claims Administrator reports that the notice and claims process resulted in 228 legitimate claims from Claimants whose names appear on the Class List totaling $351,130.70, and the Claims Administrator and Class Counsel recommend acceptance and payment to these Authorized Claimants. Defendants likewise have no objection to the Claims Administrator's determinations or recommended distributions. The Court, therefore, concludes that the Claims Administrator's determinations as to acceptance, denial, final determination of loss, and total distributions to Class Members are appropriate for approval by the Court in all respects.

Continuing litigation would have proved risky, expensive, and complex, with neither side assured of success on the merits or recovery of damages. The Court finds that the Settlement is the result of lengthy, arm's length negotiations, was reached after protracted litigation, and was effectuated by competent and experienced counsel on both sides who at all times represented the best interests of their respective clients. Despite a comprehensive, robust Notice program, no one objected to the Settlement. Further, the Settlement Fund will be sufficient to cover all monetary distributions to Authorized Claimants, attorneys' fees, litigation expenses and costs, Notice and Administration Costs, and service awards to the Named Plaintiffs, and any remaining balance will be distributed to the South Carolina Bar Foundation to support activities and programs that promote access to the civil justice system for low income residents of South Carolina. All these

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

factors give the Court confidence that the Settlement is fair, reasonable, adequate, and in the best interests of the Class.

Additionally, the Court finds that the attorneys' fees, expenses, and service awards requested in Plaintiffs' Petition are fair, reasonable, and appropriate to be awarded. Defendants do not oppose the requested awards, and the requested awards were clearly communicated to the Class as part of the Notice program, but no Class Member objected. The Court finds that it is appropriate to award attorneys' fees to Class Counsel based on a percentage of the common fund created by the Settlement, and that a fee of 40% of the total settlement amount ($2,250,000) is reasonable and appropriate in light of all relevant factors, including the time and effort spent by Class Counsel, the difficulty of the case and the uncertainty of the ultimate outcome, the contingent nature of compensation, the highly beneficial result for the Class, fees that are customarily awarded, and Class Counsel's experience, reputation, and abilities. The Court also finds that Class Counsel's litigation expenses and costs and the Notice and Administration Expenses are reasonable and appropriate for approval. Finally, the Court finds that the Named Plaintiffs have patiently and adequately represented the Class as a whole, and a $10,000 service award for each Named Plaintiff is an appropriate, modest award for their service as class representatives over the many years this case has been pending.

III. ORDER

The Court has carefully reviewed and considered the entire record and the terms and conditions of the Settlement, as well as the Notice provided to the Class Members and the administration of the Claims Process by the Court-appointed Claims Administrator. Having fully reviewed and considered all documents submitted by the Parties and having conducted a Fairness Hearing in open Court, this Court **HEREBY ORDERS** that:

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

1. The Settlement of this action, as embodied in the terms of the Settlement Agreement (**Exhibit A**), is hereby finally approved as a fair, reasonable, and adequate settlement in light of the factual, legal, practical, and procedural considerations raised by this case. The Settlement Agreement is incorporated by reference into this Order. The terms of the Settlement are hereby given final and complete effect.

2. The notice and methods used to provide Notice of the proposed Settlement, which were previously approved by this Court, are deemed to have been fully complied with and are deemed adequate to protect the due process rights of all members of the Class. The implemented plan for providing Class Members notice of the Settlement was the best practicable and was reasonably calculated, under all the circumstances, to apprise the Class Members of the pendency of this Action and their rights therein, including affording them an opportunity to be heard and participate, present their objections and/or to exclude themselves from, or "opt out" of, this Action. The procedures in this Settlement are deemed to have afforded the parties and Class Members a full and fair opportunity to litigate the claims at issue.

3. Plaintiffs Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr. are found to be representative parties who have fairly and adequately protected the interests of the Class.

4. The following attorneys and firms are found to have fairly and adequately represented the Class as Class Counsel: John B. White, Jr., Marghretta H. Shisko, and Griffin L. Lynch of John B. White, Jr., P.A.; and John S. Simmons and Rachel G. Peavy of Simmons Law Firm, LLC.

5. In reaching its conclusions, this Court has given due consideration to the Class's likelihood of success at trial; the range of possible recovery; the point on or below the range of

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

possible recovery at which a settlement is fair, adequate, and reasonable; the complexity, expense, and duration of litigation; the absence of opposition to the Settlement; the Parties' interests, including absent Class Members' interests; the state of proceedings at which the Settlement was achieved; and all written submissions, declarations, affidavits, and arguments of counsel.

6. The Court also finds that all other requirements of statute, rule, and constitutional principles necessary to effectuate settlement have been met and satisfied.

7. The Settlement Agreement fully and finally resolves the Settled Claims and, upon the Effective Date as set forth in the Settlement Agreement, shall be the exclusive remedy of Class Members for all claims set forth in the complaints filed in this Action and claims arising out of or relating to the subject matter of this Action. Each Class Member is bound by the Settlement Agreement and forever discharges Defendants from all matters within the Releases. Further, a release of all Settled Claims, as set forth in the Settlement Agreement and incorporated herein, is intended and shall be effectuated according to the terms of the Settlement Agreement. Finally, upon the Effective Date of the Settlement Agreement, this Order shall constitute a bar to the assertions of Settled Claims by Class Members according to the law of South Carolina and shall operate as *res judicata* as to such matters.

8. Each Class Member shall hold harmless Defendants, Defense Counsel, and the Released Parties for any claims, liabilities, attorneys' fees, and expenses arising from the allocation of the Gross Settlement Amount or Net Settlement Amount and for all tax liability and associated penalties and interest as well as related attorneys' fees and expenses.

9. With respect to payments or distributions to Class Members, the Court adopts and approves the Claims Administrator's recommendations with respect to denied claims, approved claims, and distribution amounts. Specifically, the Court approves of the Claims Administrator's

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

denial determinations with respect to all claims identified in Mr. Fisher's Declaration, and the Court affirms the Claims Administrator's denial of the claim for which an individual has appealed the denial because the Court has determined the Claimant did not provide sufficient documentation to support her claimed loss or to establish that she is a legitimate Class Member. The Court likewise approves of the Claims Administrator's acceptance determinations as to all claims identified in Mr. Fisher's Declaration, including the Claims Administrator's proposed acceptance of the 20 Late Claims submitted by Listed Claimants. The Court, therefore, approves the aggregate loss qualifying for distribution to Authorized Claimants of $351,130.70, and approves of the Claims Administrator's disbursement of the Net Settlement Fund in accordance with the terms of the Settlement Agreement. Additionally, all questions not resolved by the Settlement Agreement shall be resolved by the Claims Administrator in its sole and exclusive discretion.

10. This Court, having reviewed Plaintiffs' Petition for Attorneys' Fees, Expenses, and Representative Plaintiff Awards and Costs and having considered those requests separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement, finds that the requested attorneys' fees, costs and expenses are just, fair, and reasonable. The Court approves the payment of the following fees, costs, and expenses to Class Counsel from the Gross Settlement Fund in accordance with the terms of the Settlement Agreement: (a) attorneys' fees of 40% of the Gross Settlement Fund to Class Counsel ($900,000); (b) Class Counsel's litigation costs and expenses—which totaled $26,544.10 as of the date of the Fairness Hearing and which were reasonably and necessarily incurred for the benefit of the Class in this Action—along with any such litigation costs and expenses that Class Counsel incurs subsequent to the Fairness Hearing; and (c) Notice and Administration Expenses of $104,686.40.

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

11. The Court approves the payment of the $10,000 Representative Plaintiff Awards to Ms. Blackwell, Ms. Brooks, and Mr. Owens from the Gross Settlement Fund in accordance with the terms of the Settlement Agreement.

12. The Court approves the payment of any balance remaining in the Net Settlement Fund to the South Carolina Bar Foundation in accordance with the terms of the Settlement Agreement.

13. Defendants shall not be required to make any payments or do anything other than that required by the Settlement Agreement.

14. In accordance with the Settlement Agreement, and to effectuate the Settlement, the Parties and Claims Administrator are directed to take such actions and perform such duties as required by the Settlement Agreement.

15. This Court shall retain continuing jurisdiction over this Action for all purposes necessary and proper for the interpretation, consummation, implementation, administration, supervision, management, and enforcement of the Settlement and Settlement Agreement; for disbursement of settlement benefits; for disbursement of any other payments approved of by this Final Approval Order and Final Judgment; to effectuate this Final Approval Order and Final Judgment; and for any other necessary and proper purpose.

16. The operative complaint and all claims asserted therein in the Class Action are hereby **DISMISSED**, with prejudice, and without costs to any of the Settling Parties and Released Parties other than as provided for in the Settlement Agreement.

17. Upon entry of this Order, all Class Members shall be bound by the Settlement Agreement (including any amendments) and by this Final Order.

IT IS SO ORDERED.

or concession by any of the parties to this Settlement Agreement as to the merits of any claim or defense.

RECITALS

WHEREAS, this lawsuit was originally filed on January 20, 2017. The original Named Plaintiff (Ms. Blackwell) subsequently amended her complaint and added the two additional Named Plaintiffs (Ms. Brooks and Mr. Owens), with the Amended Complaint, filed on April 24, 2020. In the Amended Complaint, Named Plaintiffs, in their individual capacities and as representatives of the Settlement Class, alleged that Defendants were liable to them on causes of action for tortious interference with contractual relationship, unjust enrichment, and injunctive relief. The claims were based on allegations related to certain billing practices, including an alleged refusal by Defendants to bill a patient's health insurance and, instead, seeking to be paid from the proceeds of a tort action initiated on behalf of the patient or from an at-fault party's insurer. Named Plaintiffs' claims are premised on allegations that Defendants attempted to collect payment for the medical treatment rendered to Named Plaintiffs from the proceeds of Named Plaintiffs' tort actions or from the insurer for the party who caused the automobile accident that resulted in Named Plaintiffs seeking medical treatment at Defendants' healthcare facilities.

WHEREAS, Defendants deny any wrongdoing, liability, and damage of any kind.

WHEREAS, Named Plaintiffs and Defendants have conducted a lengthy examination and investigation of the facts and law relating to Named Plaintiffs' claims and Defendants' defenses.

WHEREAS, Named Plaintiffs and Defendants have conducted arm's length, adversarial settlement negotiations, including a lengthy mediation session mediated by Thomas Traxler, during which they concluded that further adversarial litigation would be protracted and expensive, the result of which was uncertain, and therefore that settlement is in the best interests of the Settlement Class and Defendants.

WHEREAS, Named Plaintiffs and their counsel are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in the best interests of Named Plaintiffs and the Settlement Class. Named Plaintiffs seek the Court's approval of the Settlement Agreement.

WHEREAS, Defendants, without waiving their right to contest class certification if the Named Plaintiffs' allegations against them were further litigated, consent to the conditional certification of a settlement class, as set forth herein, solely for the purposes of this settlement.

NOW, THEREFORE, the Settling Parties agree that all of the Settlement Class's current and potential claims against Defendants shall be finally settled, discharged, resolved, and released on the terms and conditions set forth in this Settlement Agreement.

3.1. For purposes of settlement only, and upon the terms and conditions set forth in this Settlement Agreement, the Parties agree to seek certification of a Settlement Class in the Action pursuant to Civil Rule 23.

3.2. The Settlement Class consists of:

3.3. Excluded from the Settlement Class are:

(i) All Persons who timely and validly exercise their right to opt out of the Settlement;

(ii) Employees of Defendants; and

(iii) Employees of the Court and their immediate family.

3.5. Nothing in this Settlement Agreement will be construed as an admission by Defendants that the Action or any similar case is amenable to class certification for trial purposes. Furthermore, nothing in this Settlement Agreement prevents Defendants from opposing class certification or seeking de-certification of a conditionally certified class if a Final Judgment is not

4. CONSIDERATION TO SETTLEMENT CLASS MEMBERS

In full settlement of the Settled Claims, Defendants will pay or will cause to be paid Two Million Two Hundred Twenty-Five Thousand Dollars and No Cents ($2,250,000.00) into the Escrow Account no later than 21 business days after the Effective Date. All interest accruing on the Settlement Payment from the time of deposit shall become part of the Gross Settlement Fund, subject to the provisions of Section 1.11 *supra*, to be used for the benefit of the Settlement Class. Under no circumstance will any Released Party be required to pay any additional amount into the Gross Settlement Fund.

4.2. **Full and Sole Contribution**. The Settlement Payment (which creates the Gross Settlement Fund) shall be the full and sole contribution made by or on behalf of Defendants to the Settlement. Without limiting the generality of the foregoing, any and all Notice and Administration Expenses, Representative Plaintiff Awards, Fees and Expense Awards, and Taxes and Tax Expenses shall be paid out of the Gross Settlement Fund.

Defendants will not oppose Representative Plaintiff Awards that do not exceed a total of Thirty Thousand Dollars ($30,000.00). The Settling Parties' negotiation of an agreement to the foregoing Representative Plaintiff Awards did not occur until after the substantive terms of this Settlement, including the amount of the Settlement Payment, had been negotiated and agreed upon.

5.8. Any Fee and Expense Award will be paid solely from the Gross Settlement Fund.

5.9. All Taxes and Tax Expenses will be paid by the Claims Administrator out of the Gross Settlement Fund or by Authorized Claimants who receive a distribution from the Gross Settlement Fund. In all events, the Released Parties will have no liability or responsibility for the

In connection with executing this Settlement Agreement, neither Defendants nor any of the Released Parties make any representation with respect to potential tax obligations arising under the Settlement Agreement's terms or the performance of those terms.

5.10. The balance of the Gross Settlement Fund (inclusive of any interest earned), after the payment of any Fee and Expense Award, Notice and Administrative Expenses, Representative Plaintiff Awards and Tax and Tax Expenses, will be the "**Net Settlement Fund**."

The written notice must contain i) the Settlement Class Member's name, and ii) current mailing address.

6.10. Settlement Class Members who fail to file and serve timely written notices in the manner specified above shall be deemed to have waived any objections to the Settlement and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement.

6.11. Each of the Defendants will have the option to terminate and withdraw from this Settlement Agreement, in its sole discretion, if: (i) any objections to the Settlement are sustained by the Court or on appeal of any ruling by the Court; or (ii) if there are any material modifications to this Settlement Agreement by the Court, by any other court, or by any tribunal, agency, entity, or person as set forth in Section 11.1 below.

Gross Settlement Fund and not by the Named Plaintiffs, Class Counsel, Settlement Class Members, or the Released Parties.

10.4. Following the Effective Date, in accordance with the terms of this Settlement Agreement, the Claims Administrator will disburse the Net Settlement in accordance with the following:

(a) Each Settlement Class Member who wishes to participate in the distributions from the Net Settlement Fund must return a signed Claim Form. The Claim Form will also provide for Settlement Class Members to submit supporting documentation if 1) the Class Member Loss is unknown and not identified in the Direct Notice Class Member List, or 2) if the Settlement Class Member disagrees with the amount listed as the Class Member Loss. The Claim Form and supporting documentation will be supported by such documents as are designated therein, which sets forth proof of the Class Member Loss. No Settlement Class Member may recover more than the amount of that Class Member Loss or the amount represented in an approved claim. A sample of the Claim Form proposed by the Settling Parties is annexed hereto as **Exhibit B**.

(b) The address for the Claims Administrator to which the Claim Form and any related documentation submitted therewith must be mailed or emailed shall be set forth on the Claim Form itself and shall also be printed in the Notice. If sent by first-class mail, a Claim Form must be postmarked or emailed no later than the Claim Deadline. If sent by any manner other than by first-class mail, the Claim Form must actually be received by the Claims Administrator by the Claim Deadline. The Administrator shall have reasonable discretion to accept late filed claims.

(c) The Claim Form must be sworn to under oath or made subject to the penalties of perjury pursuant to 28 U.S.C. § 1746.

(d) The validity of each Claim Form and any related documentation submitted will be determined by the Claims Administrator. The Claims Administrator will provide therewith all Claim Forms received to Class Counsel. The Claims Administrator will review and either approve, partially approve, or reject any Claim Forms received and provide that resolution to Class Counsel. If the Claims Administrator needs additional information, they may seek same from the Claimant, Class Counsel, or Defendants. The Claims Administrator will provide notice to each Settlement Class Member that their claim has been approved, partially approved, or rejected, within 45 days of receipt of the Claim Form. The Claims Administrator, Class Counsel, and the Released Parties will not have any liability arising out of that determination or any appeal thereof.

(e) The Claims Administrator will provide a list of approved claims and claim amounts to all Parties, recognizing that the *pro rata* calculation required to determine final distribution amounts may not be available until 45 days following the Claims Deadline.

Upon reasonable demand, the Claims Administrator will provide documentation regarding claims and claims determinations to any Party that requests said information.

(f) If a Settlement Class Member disagrees with the determination by the Claims Administrator, the Settlement Class Member must submit a written appeal to the Court within 21 days that the Administrator's determination is mailed to the Claimant. The dispute will be submitted to the Court for summary resolution.

(g) All proceedings with respect to the administration of the Gross Settlement Fund and Net Settlement Fund, and the administration, processing, and determination of claim requests, and the determination of all controversies related thereto, including disputed questions of law and fact with respect to the validity of any Claim Form or regarding rejection of any claims submitted, shall remain under the jurisdiction of the Court and shall be governed by, and construed in accordance with, the laws of the State of South Carolina without regard to choice-of-law or conflicts-of-laws principles.

(h) Except as otherwise ordered by the Court, any Settlement Class Member who fails to timely return a properly completed and signed Claim Form consistent with the procedures set forth in this Section will be forever barred from receiving a distribution from the Net Settlement Fund, but shall nevertheless be bound by and subject to this Settlement Agreement, the Final Judgment, and all proceedings, rulings, orders, and judgments in the Action, including, without limitation, the release of the Settled Claims and the dismissal with prejudice of the Action. Notwithstanding the foregoing, the Claims Administrator may accept for processing of late claims so long as the distribution of the Net Settlement Fund to Authorized Claimants is not materially delayed.

(i) The Net Settlement Fund will be distributed to the Authorized Claimants in the following manner:

(j) Class Counsel will apply to the Court, with notice to counsel for the Defendants, for a distribution order addressing any appeals of Class Counsel's determinations concerning the acceptance, rejection, and valuation of the submitted Claims Forms and approving any Notice and Administration Expenses (including, but not limited to, the fees and expenses of the Claims Administrator or Taxes and Tax Expenses not previously applied for), and directing payment to Class Counsel, and to the Claims Administrator as otherwise provided herein, and payment of a *pro rata* share of the Net Settlement Fund to Authorized Claimants as determined by their respective final, approved Class Member Loss pursuant to this Settlement Agreement.

(k) All payments required by Defendants in this Settlement Agreement shall be made by check, direct pay or some other method of verifiable funds in U.S. Dollars.

(l) In the event a Class Member fails to cash a settlement check within one hundred eighty (180) days of its issuance, such check shall become void and the Class Member shall have no further claim or entitlement to payment of such amount unless the Claims Administrator determines upon reasonable inquiry that there is good cause to re-issue payment (for example, the check was lost in the mail or was rendered otherwise

undeliverable).

(m) If there is any balance remaining in the Net Settlement Fund (whether by reason of unclaimed funds, tax refunds, uncashed checks, or otherwise), at a date 45 days after the last payment to an Authorized Claimant becomes void, then the Claims Administrator will, upon approval of the Court, distribute that entire balance to the South Carolina Bar Foundation to support activities and programs that promote access to the civil justice system for low income residents of South Carolina in accordance with SCRCP, Rule 23(e)(2).

(n) When the Net Settlement Fund has been fully disbursed, Class Counsel will file with the Court a final accounting that confirms (a) the amount and type of relief provided to each Settlement Class Member; (b) the amount distributed to the Claims Administrator; (c) the amounts distributed to Class Counsel; (d) the amounts distributed as Representative Plaintiff Awards; and (e) any other amounts that were paid from the Gross Settlement Fund.

10.5. No Person will have any claim against the Named Plaintiffs, Class Counsel, or the Claims Administrator based on claim distributions, determinations, or rejections made substantially in accordance with this Settlement Agreement or further orders of the Court, except in the case of fraud or willful misconduct. No Person will have any claim against the Released Parties based on any claim distributions, determinations, or rejections.

10.6. None of the Released Parties will have any responsibility for or liability whatsoever with respect to (i) any act, omission, or determination of Class Counsel, the Claims Administrator, or any agent of the Claims Administrator, including any escrow agent, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management, investment, or distribution of the Gross Settlement Fund or the Net Settlement Fund; (iii) the determination, administration, calculation, or payment of any claims asserted against the Gross Settlement Fund or the Net Settlement Fund; (iv) any losses suffered by, or fluctuations in the value of the Gross Settlement Fund or the Net Settlement Fund; or (v) the payment or withholding of any Taxes and Tax Expenses incurred in connection with the Gross Settlement Fund or the filing of any returns.

11. TERMINATION AND WITHDRAWAL BY ANY DEFENDANT

11.1. Each Defendant will have the option to terminate and withdraw from this Settlement in its sole discretion if any objection to this Settlement is sustained by the Court or on appeal of any ruling by the Court leading to a material modification of this Settlement by the Court, by any other court, or by any tribunal, agency, entity, or person. "Material" will include any modification that alters the obligations, duties, rights, or responsibilities of the Defendants.

11.2. No fewer than five (5) calendar days prior to the Fairness Hearing, notice of which must be timely provided to facilitate Defendants' rights under this Section, each Defendant will have the option to terminate and withdraw from the Settlement Agreement if Settlement Class Members with over Sixty-Thousand Dollars ($60,000) in total Claim Member Losses opt out or the number of opt-outs exceed 132 of the total class members, and that Defendant, or in its sole discretion, decides that the potential claims of Settlement Class Members electing to opt out is excessive.

11.3. If any Defendant terminates and withdraws from the Settlement Agreement in accordance with foregoing Paragraphs 11.1 or 11.2, no Party shall have any further obligations hereunder, other than their share of costs and expenses already incurred by the Claims Administrator, and the Parties shall be returned to their respective positions in the pending Action without prejudice to their respective positions or arguments. Certification of the Settlement Class will be revoked with respect to the Defendants. Funds and other contributions will be returned to the Defendant that paid those funds or made those contributions.

11.4. In the event that this Settlement is terminated for any reason, the Defendants, collectively, and the Named Plaintiffs will each be responsible for 50% of the costs and expenses then incurred by the Claims Administrator.

(a) Granting final approval of the Settlement Agreement and directing its implementation pursuant to its terms and conditions;

(b) Determining that the Notice and the Publication Notice, as approved by the Preliminary Approval Order, constitute reasonable and the best practicable notice reasonably calculated under the circumstances to apprise the Settlement Class Members of the pendency of the Action, the terms of the Settlement Agreement, the right to opt out, the right to appear at the Fairness Hearing, the claims process, that the Notice and the Publication Notice are adequate and sufficient to all persons entitled to receive notice and meets the requirement of due process and other applicable rules or laws;

(c) Ruling on any Fee and Expense Award, any request for Notice and Administration Expenses, and Representative Plaintiff Awards;

(d) Discharging and releasing the Released Parties, and each of them, from the Settled Claims;

(e) Permanently barring and enjoining the Class from instituting, maintaining, or prosecuting, either directly or indirectly, any lawsuit that asserts Settled Claims;

13. STAY OF LITIGATION PENDING APPROVAL PROCESS

13.1. All activity in the Action, as to the Defendants, shall be stayed except to the extent necessary to effectuate this Settlement Agreement, unless and until this Settlement Agreement is terminated pursuant to its terms and conditions.

13.2. If the Settlement Agreement is terminated for any reason, the Plaintiffs and the Defendants shall confer with respect to, and will jointly submit, a new case management report, which will establish a new schedule for completing discovery, trial preparation, motions practice and trial upon lifting of the stay.

(b) May be offered or received as evidence in proceedings as may be necessary to effectuate the provisions of this Settlement Agreement if this Settlement Agreement is approved by the Court, and the Released Parties may refer to it to effectuate the release of Settled Claims and other liability protections granted them hereunder.

14.12. **Warranty of Ownership of Claims.** Named Plaintiffs warrant and represent that they have not assigned, transferred, or purported to assign or transfer, to any person or entity the right to assert any Settled Claim.

14.16. **Jurisdiction.** The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Settlement Agreement, and the administration and consummation of the Settlement embodied therein. 14.18. **Invalidation of Material Provision.** In the event any one or more of the material provisions contained in this Settlement Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this Settlement Agreement shall not be binding on a Party without the consent of such Party to the change resulting from such finding or holding.

Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc. ("Defendants"), C. A. No. 2017-CP-42-00219* (the "Lawsuit").

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

BASIC INFORMATION

1. Why did I get this notice package?

Records from the Defendants indicate that you or someone in your family (the "Patient") received medical treatment at the hospitals that were operated by Mary Black Health System, LLC (Mary Black Health System - Spartanburg) or and Gaffney H.M.A., LLC (Mary Black Health System - Gaffney) sometime from January 1, 2014 and the Defendants did not bill the Patient's valid health insurance provider for said treatment but instead sought payment from the Patient, or from the Patient's proceeds of a separate tort action, or from an at-fault third-party's insurance carrier. If that is true, then the Patient may be a Settlement Class Member.

This notice is to inform you about the Settlement that has been reached which may affect your rights, including your right to object to, or exclude yourself from the Settlement. You have the right to know about the Settlement and about your legal rights and options before the Court decides whether to approve the Settlement.

The Court in charge of this Lawsuit is the South Carolina Court of Common Pleas for Spartanburg County, and the case is known as *Blackwell, et al. v. Mary Black Health System, LLC et al., C. A. No. 2017-CP-42-00219*.

The people who brought the Lawsuit are called the Named Plaintiffs. They are Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr., and they alleged that they represented a class of similarly situated person, of which you may be a part.

The companies and the persons the Plaintiffs sued are called the Defendants. The Defendants are Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.

2. What is the Lawsuit about?

The class action Lawsuit asserts that the Defendants had a policy and practice of refusing to bill health insurance that impacted every member of the Settlement Class by interfering with Settlement Class Members' own relationships with their health insurance provider. The Lawsuit also alleges that the Defendants attempted to collect larger payments from Settlement Class Members than what the Defendants separately contracted to accept from the health insurance providers. The Defendants deny these allegations and deny that they are liable to Plaintiffs or the purported class in any way.

3. Why is this Lawsuit a class action?

In a class action, one or more people called Class Representatives or Named Plaintiffs (in this Lawsuit, Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr.) sue on behalf of not only themselves but other people who have similar claims. The Class Representatives and all of the people with similar claims are a class or class members. One court resolves the issues for all class members, except for those who exclude themselves from the class.

As part of this Settlement the Defendants have consented to the creation of a Settlement Class to distribute the Settlement proceeds.

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

4. Why is there a settlement?

Plaintiffs and the Defendants have determined that it is in their mutual best interest to settle this Lawsuit due to the uncertainties of trial, benefits of settlement, associated costs of continued litigation, likely appeals, and inconvenience and interference with personal matters and business operations. The Settlement was reached through lengthy negotiations between the parties.

The Court did not decide in favor of Plaintiffs or the Defendants. After a thorough investigation and discovery into the facts of this Lawsuit, Plaintiffs, and the Defendants agreed to the Settlement Agreement. The Class claims against the Defendants were settled because Class Counsel and Plaintiffs, acting as the Class Representatives, believe that the amount of the Settlement is fair and reasonable in light of the strength and weaknesses of the lawsuit and other factors.

WHO IS INCLUDED IN THE SETTLEMENT?

To see if you will get money from this Settlement, you first have to figure out if you are a Settlement Class Member.

5. How do I know if I am part of the Settlement?

For purposes of the Settlement, the Parties have agreed, and the Court has ruled that everyone whose circumstances align with the Settlement Class description is a Settlement Class Member:

> "All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy."

Based on information available to the Parties, if you have received this notice, you may be a Settlement Class Member. If you are a Settlement Class Member, you should read this notice carefully, and, if you wish to participate in the settlement recovery offered, you must comply with the requirements and deadlines set forth herein.

6. Are there exceptions to being included?

Excluded from the Class are: (1) All people who timely and validly exercise their right to opt out of the Settlement Class; (2) Employees of the Defendants; and (3) Employees of the Court and their immediate family.

7. I'm still not sure if I am included. What are my next steps?

If you are still not sure if you are included, or have any questions about the settlement, you can ask for free help. You can review helpful information at the website **www.MaryBlackClassAction.com** or call the Claims Administrator at **1-800-789-6490** for more information. Remember the deadline to submit a claim is MONTH XX, 2026. Please do not call the Court.

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

THE SETTLEMENT'S BENEFITS

8. What does the Settlement provide?

The proposed Settlement establishes a $2,250,000 Gross Settlement Fund to be paid by Defendants in exchange for a release of all claims in the Lawsuit. After payment of the Class Representative Plaintiffs' Awards, costs of Notice and Class Settlement Administration, and Class Counsel's Attorneys' Fees and Costs, the remaining Net Settlement Fund will be used to pay valid claims on a *pro rata* basis.

This $2,250,000 Gross Settlement payment by Defendants represents the settlement terms negotiated by the parties and Class Counsel through arm's length negotiations and takes into account a balancing of the risk of going to trial and the amount of a potential verdict. You have the right to opt out of or exclude yourself from the settlement, and, if you exercise that right, you will receive nothing from this settlement.

9. How much will my payment be?

If the Settlement is approved by the Court, you may receive a monetary payment if you submit a valid and timely claim. The exact amount of the monetary payment to each Settlement Class Member is not currently known, but will be based on several factors, including (1) the amount of class-action expenses that are approved by the Court; (2) the number of Settlement Class Members who file valid and timely claims; and (3) the amount of net loss suffered by each and all Settlement Class Members who file claims and elect to receive monetary payments.

Payments will be made *pro rata* from funds available based upon each Class Member's Loss. Class Member's Loss is the amount determined to be what was paid by you, or on your behalf, to Mary Black Health System or Gaffney H.M.A., LLC for medical services rendered to you from January 1, 2014, which could have been billed to your health insurance provider. Presently, the maximum total aggregate amount of all the Class Members Losses is believed to be $2,036,538.28.

The Claim Form for most potential Settlement Class Members contains a number for that Class Member's Loss. This figure is based upon business records obtained by Class Counsel. If you disagree with your Class Member's Loss or the Class Member's Loss is listed as "UNKNOWN," you must state the amount you believe to be your Class Member's Loss, and you must also provide any documents or evidence you have which supports your claim. Within 30 days of receiving your claim, the Claims Administrator will notify you whether your claim is accepted, partially accepted, or rejected. If the Claims Administrator rejects your claim, or if you disagree with the approved amount, you may apply to have the Court determine the amount of your claim.

SETTLEMENT CLASS MEMBERS WHO DO NOT TIMELY SUBMIT VALID CLAIM FORMS WILL BE DEEMED TO HAVE WAIVED ANY RIGHT TO RECEIVE SETTLEMENT BENEFITS INCLUDING PAYMENTS BUT WILL STILL BE BOUND BY THE TERMS OF THE SETTLEMENT.

10. How can I get a monetary payment?

If you agree with the reported Class Members Loss listed on your Claim Form and you have no objections to the Settlement, then to be eligible to receive your final *pro rata* share of the benefits of the Mary Black Class Settlement, you must complete, sign, date, and return your Claim Form such that

it is postmarked or emailed **by no later than MONTH XX, 2026** to:

Email: **claims@MaryBlackClassAction.com**

If your claim is confirmed and the Court approves the settlement, you will then receive your benefits of the settlement.

11. When would I get my payment?

If the Court grants final approval to the Settlement and after any appeals are resolved, the *pro rata* Settlement payments will be distributed to approved claims. If the Court approves the Settlement after the hearing on [MONTH XX, 2026], there may be appeals. We don't know how much time it could take to resolve any appeals that may be filed. Information will be posted online at www.MaryBlackClassAction.com.

REMAINING IN THE SETTLEMENT CLASS

12. What am I giving up if I stay in the Settlement Class?

If you do not submit a complete and timely written request for exclusion, you will stay in the Settlement Class, and that means that you can't sue, continue to sue, or be part of any other lawsuit against the Defendants about the legal and factual issues in *this* case; namely your claim against Defendants related to the payment for the medical services rendered to you (see Question 2). It also means that all of the Court's orders will apply to you and legally bind you. If you sign the Claim Form, you will agree to a "Release," attached to the Claim Form, which describes exactly the legal claims you give up if you participate in the Settlement Class.

EXCLUDING YOURSELF FROM THE SETTLEMENT

13. Who has the right to be excluded?

If you are a Settlement Class Member and you don't wish to benefit from this settlement, but you want to maintain any potential right you may have to sue the Defendants, on your own, about the legal and factual issues in this case, then you must take steps to opt-out of the Settlement. This is called excluding yourself or is sometimes referred to as opting out of the settlement class.

14. How do I exclude myself from the Settlement Class?

To exclude yourself from the Settlement, you must send a letter by mail that includes the following:

1. Your full name, current mailing address and telephone number;
2. A statement saying that you "want to exclude yourself from the Settlement Class in *Blackwell, et al. v. Mary Black Health System, LLC, et al.* (C.A. No. 2017-CP-42-00219).
3. Be signed and dated by you.

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

To be valid, exclusion requests must be mailed with a postmark on or before **Month XX, 2026**. Mailed exclusion requests should be sent to:

Mary Black Exclusions
c/o The Notice Company
P.O. Box 455
Hingham, MA 02043

No request for exclusion will be considered valid unless all of the information described above is included. No further opportunity to request exclusion will be given in this Lawsuit unless ordered by the Court. If you choose to be excluded, from the Settlement Class, you will not: (a) be entitled to any Settlement payment; (b) be able to object to the Settlement; (c) be legally bound by any judgment entered in the Lawsuit; and (d) be precluded from suing the Defendants in the future, if your rights have not expired by operation of law.

After the number of opt outs has been determined, the Defendants can terminate the settlement if any of the Defendants decides that the number of opt outs is excessive.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer representing me in this Lawsuit?

The law firms of John B. White, Jr. P.A., and the Simmons Law Firm, LLC, have represented you and other Settlement Class Members throughout the course of this Lawsuit. These lawyers are called Class Counsel. You will not be charged by or for the services of these lawyers; however, they will be compensated from the gross settlement proceeds as approved by the Court. If you want to be represented by your own lawyer, you may hire one at your own expense.

16. How will the lawyers be paid?

Class Counsel will apply for an attorneys' fee of approximately forty percent (40%) of the Gross Settlement Fund, which would be paid out of the $2,250,000 Gross Settlement Fund. Class Counsel will also apply for reimbursement of expenses of estimated to be approximately Fifty Thousand Dollars ($50,000), and seek incentive payments for each of the Named Plaintiffs of $10,000. The total incentive payments will not exceed $30,000. Class Counsel spent considerable time and effort prosecuting this Lawsuit. They undertook the Lawsuit without cost to the Class Members, advancing all expenses. They did so with the understanding that they would be paid only if they were successful in recovering benefits for the Class.

OBJECTING TO OR COMMENTING ON THE SETTLEMENT, PLAN OF DISTRIBUTION, ATTORNEYS' FEES AND LAWSUIT EXPENSES, AND AWARDS TO CLASS REPRESENTATIVES

You can tell the Court that you don't agree with the settlement or some part of it.

17. How do I tell the Court that I don't like the Settlement?

If you are a Settlement Class Member and you do not like any part of the Settlement including the Class Counsel's fees and costs, you can ask the Court to deny approval by filing an objection. If you exclude yourself, you cannot object to the Settlement. You cannot ask the Court to order a different settlement;

the Court can only approve or reject the Settlement. You can give reasons why you think the Court should not approve it. The Court will consider your views. If your objection is rejected, you will be bound by the final judgment just as if you had not objected.

Written objections must include the following information:

1. The Settlement Class Member's full name, current mailing address, telephone number, and if you are being assisted by a lawyer, the lawyer's name, address and telephone number;
2. The case name and number of the Lawsuit (*Blackwell, et al. v. Mary Black Health System, LLC, et al.* (C.A. No. 2017-CP-42-00219));
3. A statement establishing your membership in the Settlement Class;
4. In clear and concise terms, the specific reasons for the objection, and any evidence or legal authority the Settlement Class Member believes supports the objection; and
5. Your signature.

If you are submitting a written objection, it must be submitted to the Court by mailing it to the Clerk of the Court for the South Carolina Court of Common Pleas for Spartanburg County at the address below, with copies mailed to Class Counsel and Settling Defendants' Counsel, so that it is **delivered or postmarked on or before MONTH XX, 2026:**

18. What if I do not object to the Settlement but I dispute the amount of Class Member Loss reflected on my Claim Form?

If you have no objection to the Settlement and wish to obtain the benefits of the Settlement but object to the amount of net loss reflected on your Claim Form, you must complete and return the Claim Form with the box checked regarding your claimed dispute and provide documentation that supports your claimed loss. The Claim Form and supporting documents must be returned to the Claims Administrator, (see address in Question 10), postmarked on or before MONTH XX, 2026. You need to set forth your disagreement with the amount of Class Member Loss and provide all documentation supporting your position. The Claims Administrator will then deny, partially approve or approve your claim and provide you with notice of that determination. If you disagree with the Claims Administrator's determination, you will be given the opportunity to appeal to the Court. Instructions for filing such an appeal will be provided with the Claims Administrator's determination.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the settlement and to address any appeals of the Claims Administrator's determinations. You may attend and you may ask to speak, but you don't have to.

19. When and where will the Court consider the Settlement, the plan of distribution, request for attorneys' fees and litigation expenses, and award to Class Representatives?

On MONTH XX, 2026, at _____ a.m./p.m., a hearing will be held on the fairness of the proposed settlement (the "Fairness Hearing"). At the hearing, the Court will consider whether the settlement is fair, reasonable, and adequate, and the Court will also decide the amount of attorneys' fees and costs to be awarded. If there are any objections to the settlement or the request for attorneys' fees and costs, the Court will consider and rule upon them. The hearing will take place before the Honorable J. Mark Hayes, II, Circuit Court Judge, Seventh Judicial Circuit, at _____ [Court House Address]. After the hearing, the Court will decide whether to approve the settlement. We do not know how long these decisions will take.

20. Do I have to come to the hearing?

Class Counsel will answer questions the Court may have at the Fairness Hearing. But, you are welcome to come to the Fairness Hearing at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend the Fairness Hearing, but it's not necessary.

21. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you would have to do the following by _____(date): (1) provide a written notice to the Clerk of Court indicating that you intend to be heard at the Fairness Hearing; (2) indicate the basis for your appearance along with a statement that indicates why you oppose or support the Settlement or certification of the Class; and (3) provide a copy of such written notice and any related briefs, documentation, or other materials to the Court, Class Counsel, and Settling Defendants' Counsel. The written notice must

contain your full name and current mailing address.

22. What happens if the Court approves the proposed Settlement?

If the Court approves the proposed Settlement, it will enter a judgment that will dismiss the claims of all Settlement Class Members covered by the Settlement Agreement who did not opt out on the merits and with prejudice as to those claims. All non-excluded Settlement Class Members, as well as their respective heirs, personal representatives, agents, attorneys, parent, subsidiary, and/or affiliate corporations, shareholders, directors, officers, joint venturers, partners, trustees, receivers, insurers, reinsurers, servants, employees, representatives, administrators, successors, predecessors, and assigns shall be forever barred from prosecuting their own lawsuits and shall be deemed to have released (a) Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; Gaffney H.M.A., LLC; CHSPSC, LLC; and Professional Account Services, Inc.; (b) any person, partnership, firm, corporation, limited liability company, trust, organization, or other entity in which the Defendants have a controlling interest or which is or was legally related to or affiliated with the Defendants; and (c) with respect to each of the Persons in subsections (a) and (b), their respective past or present members, managers, directors, officers, employees, insurers, reinsurers, sureties, attorneys, agents, partners, principals, advisors, investment advisors, auditors, accountants, trustees, and any other entity in which any corporate parent has a controlling interest or which is or was related to or affiliated with any such parent, successors and predecessor entities, the heirs, and members of their Immediate Family, and anyone acting or purporting to act for or on behalf of any of them or their successors from all claims, causes of action, or losses of any kind whatsoever that Settlement Class Member has or may claim to have against the Defendants and their affiliates that related to any of the conduct that has or could have been alleged or otherwise referred to in the this lawsuit.

23. What happens if I do nothing at all?

EXHIBIT A-2 — NOTICE FOR PUBLICATION

LEGAL NOTICE

If You Received Medical Treatment at Mary Black Memorial Hospital or Gaffney H.M.A. in South Carolina from January 1, 2014 and Your Medical Bills Were Not Submitted to Your Health Insurance Provider, You Could Be Eligible to Benefit from a Class Action Settlement Valued at $2.25 Million.

A settlement has been proposed in a class action lawsuit against Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc. ("Defendants" or "Settling Defendants") arising from and regarding individuals who received healthcare treatment at the hospitals that were operated by Mary Black Health System, LLC (Mary Black Health System - Spartanburg) and/or Gaffney H.M.A., LLC (Mary Black Health System - Gaffney) while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Who's Included?

You are a Class Member if you fit the following description: All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Excluded from the Class are: (1) people who timely exercise their right to opt out of the Settlement; (2) employees of the Settling Defendants; and (3) employees of the Court and their immediate family.

What's This About?

The class action lawsuit asserts that the Defendants had a policy and practice of refusing to bill health insurance that impacted every member of the Settlement Class by interfering with Settlement Class Members' own relationships with their health insurance provider. The Lawsuit also alleges that the Defendants attempted to collect larger payments from Settlement Class Members than what the Defendants separately contracted to accept from the health insurance providers. The Defendants deny these allegations and deny that they are liable to Plaintiffs or the purported class in any way.

What Does The Settlement Provide?

In exchange for full releases, the Settling Defendants have agreed to create a Gross Settlement Fund to be paid by Defendants in exchange for a release of all claims in the Lawsuit. After payment of the Class Representative Plaintiffs' Awards, costs of Notice and Class Settlement Administration, and Class Counsel's Attorneys' Fees and Costs, the remaining Net Settlement Fund will be used to pay valid claims on a *pro rata* basis. A Settlement Agreement, available at the website below, describes all of the details about the proposed settlement.

How Do You Ask For A Payment?

A detailed notice and claim form package contains everything you need. Just call or visit the website below to request one. To qualify for a payment, you must send in a claim form. **Claim forms are due by Month 00, 0000.**

What are your Other Options?

If you don't want to be legally bound by the settlement, you must exclude yourself by **Month 00, 0000**, or you won't be able to sue, or continue to sue the Settling Defendants about the legal claims in this case. If you exclude yourself, you can't get money from this settlement. If you stay in the settlement, you may object to it by **Month 00, 0000.** The detailed notice explains how to exclude yourself or object. If you do nothing at all, you will not receive any benefits of the settlement and will lose your right to pursue the Settling Defendants for your losses.

The Court will hold a hearing in this case, *Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr., individually and on behalf of all others similarly situated, v. Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.* (C.A. No. 2017-CP-42-00219), on **Month 00, 0000**, to consider whether to approve (i) the settlement; and (ii) a request by the lawyers representing all Class Members (John B. White, Jr. P.A., and the Simmons Law Firm, LLC) for an attorneys' fee of approximately forty percent (40%) of the Gross Settlement Fund and costs, for investigating the facts, litigating the case, and negotiating the settlement. You may ask to appear at the hearing, but you don't have to. For more information, call toll free 1-800-789-6490, visit the website www.MaryBlackClassAction.com, or write to claims@MaryBlackClassAction.com.

d. Toll-free telephone line: Establishment of a toll-free telephone line, (800) 789-6490, for persons to call and listen to a pre-recorded description of the settlement, inquire about Settlement Class membership, provide address update information or to ask questions. The toll-free telephone number is featured on the Settlement Website and was printed in the Detailed Notice, and Publication Notice.

6. **Mailing List.** On June 30, 2026, Class Counsel provided the Claims Administrator with a password protected Excel workbook containing two (2) lists of persons identified as meeting the Settlement Class definition.

a. Settlement Class Lists. The lists (the "Settlement Class Lists") contained the name, mailing address, Class Member Loss Amount and other information pertaining to members of the Settlement Class.

b. Two Sources. The first Settlement Class List ("MB List"), identified Mary Black Health System LLC Class members, consisted of 1536 records and the second Settlement Class List ("GF List") identified Gaffney H.M.A., LLC Settlement Class members, consisted of 884 records.

c. The "Class List". For purposes of preparing a mailing list, MB List and GF List were combined to create the "Class List". The Class List contained 2420 records

where 2,152 contained complete addresses and 268 contained incomplete or no address information.

d. Additional Addresses. On July 6, 2026, Class Counsel provided 29 addresses bringing the number of records with addresses to 2,181 and incomplete/no addresses for 242 records.

e. Skip Traces. Claims Administrator performed skip-traces for the 242 incomplete/no address records resulting in the acquiring of 239 addresses for Settlement Class members and 3 records with no address information. The 3 records with no address information were removed from Class List for mailing purposes.

f. NCOA Updates. The Class List comprised of 2,417 records with addresses was submitted for National Change of Address ("NCOA") updates utilizing the NCOA^{Link} service as licensed by the U.S. Postal Service ("USPS"). The NCOA^{Link} process improves mail deliverability by providing mailers with current, standardized, delivery point coded addresses for individual, family, and business moves. An attempt was made to match each name and address against the NCOA^{Link} database consisting of approximately 160 million records of 48 months of permanent address changes as filed by relocating postal customers. The NCOA^{Link} service provided updated mailing address information for 112 persons on the Class List and 64 bad addresses.

g. Additional Skip Traces and NCOA Updates. For the 64 bad addresses, skip-traces were performed resulting in updates to all 64 addresses. Another Submission was made to the NCOA^{Link} service, resulting in 2 additional new address updates.

h. List Consolidation. Class Counsel informed the Claims Administrator that some

Class Members have had more than one visit to the healthcare institutions and thus their name and address appear more than once on the list. These records, where a person's name and address matched, were consolidated into a single record with the amount of Class Member Loss being aggregated. There were 72 Settlement Class members whose names and addresses appeared in two or more records.

i. The Mailing List. After the Class List was consolidated, the resulting "Mailing List" consisted of 2,334 records of "Listed Class Members".

7. **Notice Mailing**. On July 14, 2026, the Detailed Notice and Personalized Claim Form (collectively, "Notice Package") were mailed, first-class postage prepaid, to the 2,334 addresses listed on the Mailing List. The USPS returned 544 mailings as undeliverable. For 2 of these returned mailings, the USPS provided new forwarding information. The Claims Administrator re-mailed the Notice Package to the new addresses provided. For the remaining 542 undeliverable mailings, the Claims Administrator performed skip-traces resulting in the re-mailing of 534 Notice Packages and the emailing of 2 Notice Packages (1 deliverable and 1 undeliverable (bounced)) (the 2nd mailing and the emailed Notice Packages collectively, "2nd Mailing"). Thus, 6 Notice Packages remained undeliverable. The USPS and the email server together returned 67 of the 2nd Mailings as undeliverable, where 5 were returned with new addresses. The five (5) 2nd Mailing Notice Packages with new addresses were re-mailed resulting in one (1) being returned as undeliverable. As of the date of this Declaration, 71 Notice Packages remain undeliverable.

8. **Published Notice**. The Claims Administrator caused the Publication Notice to appear three (3) times, once a week for three (3) weeks, in ***The Gaffney Ledger*** on July 15th, July 24th, and on July 27, 2026*;* three (3) times, once a week for three (3) weeks in ***The Spartanburg Herald-Journal*** on July 15th, July 19th, and on July 31, 2026**,** and online at ***www.GoUpState.com*** starting

9. **Settlement Website**. Commencing on July 13, 2026, and continuing through the date of this Declaration, the Claims Administrator established and has maintained online a website for this case at **www.MaryBlackClassAction.com** (the "Settlement Website") where persons could view and download copies of the Detailed Notice, Website Claim Form, Settlement Agreement, Order Granting Joint Motion to Amend the Order Certifying the Class and Preliminarily Approving the Class Action Settlement Agreement, HIPAA Qualified Protective Order Authorizing Disclosure of Limited Protected Health Information for Settlement Administration, the Order Certifying Class, the Amended Summons and Complaint, and Answers to the Amended Complaint. Attached hereto as **Exhibit F** is a copy of the Home page and Settlement document page from the Settlement Website. Since July and continuing through October 16, 2026, there have been 18,272 visits to the Settlement Website by 12,334 unique visitors, who have viewed or downloaded a total of 74,523 pages at the Settlement Website.

10. **Toll-Free Telephone Line**. On July 2, 2026, the Claims Administrator established a toll-free telephone line for information on this settlement at (800) 789-6490. Members of the Settlement Class could call in to listen to a pre-recorded description of the settlement, request a Notice Package, provide address update information or to ask questions. The toll-free phone number is featured on the Settlement Website and was printed in the Detailed Notice, and Publication Notice. As of the date hereof there have been 92 calls to the toll-free information telephone line.

11. **Deadlines**. The Detailed Notice, Publication Notice, the toll-free telephone recording and Settlement Website all state that August 31, 2026, was the deadline to submit claims ("Claims

12. **No Exclusion Requests**. As of the date of this Declaration, the Claims Administrator has received no requests for exclusion from the Settlement.

13. **No Objections**. As of the date of this Declaration, the Claims Administrator has received no objections to the proposed Settlement.

14. **Summary of Claims Received.** As of the date hereof, the Claims Administrator has received a total of 19,334 claims, consisting of 19,300 "Timely" claim forms (claims received or postmarked on or before the Claim submission deadline of August 31, 2026) and 34 "Late" claim forms (claims received or postmarked after August 31, 2026). As discussed below, Timely claims include 40 duplicate claims (more than one claim form submitted on behalf of the same claimant) and 18,940 claims that appear to be "Bot-generated" submissions.[1] Late claims include 5 duplicate claims.

15. **Claim Submission Procedures.** In accordance with the Settlement Agreement, the Personalized Claim Form was sent to all Listed Class Members. Each Form listed the Class Member Loss as reported to the Claims Administrator by the Defendants (the "Loss"). Class Members were afforded the opportunity to agree or disagree with the Loss reported on the Personalized Claim Form. Claimants[2] were instructed to submit documentation to support any

disagreement with the reported Loss. Any Class Member who did not receive a Personalized Claim Form could download a Website Claim Form from the Settlement Website. The downloadable Forms were generic and simply listed the Class Member Loss as "Unknown".

16. **Claim Processing – Timely Claims.**

a. Processing Claims from Listed Class Members Who *Agree* with Loss.

i. For Personalized Claim Forms returned and signed by a Listed Class Member who agreed with the Loss, the Claims Administrator informed the Class Member by mail or email that the claim was approved.

ii. For Personalized Claim Forms returned and signed by Listed Class Members who had changed their last names and agreed with the Loss, a skip trace was conducted to verify the name change before the Claims Administrator mailed or emailed a letter of claim approval to the applicable Class Member.

iii. For Personalized Claim Forms returned where the Loss was agreed to **but** the Form was ***not*** **signed by the Listed Class Member** and instead was signed by a **representative** of the Listed Class Member, the Claims Administrator processed the claims as follows:

1. Deceased Settlement Class Members: The Claims Administrator requested a copy of the Death Certificate and/or a document authorizing the representative to file the claim and to receive funds on behalf of the estate of the Class Member. If no probate documents were available, then the Claims Administrator requested the submission of a notarized Affidavit of Authority (substantially in the

form of **Exhibit G** attached hereto). Once these documents were received and deemed complete, the Claims Administrator informed the Class Member's estate representative that the claim was approved and the Settlement payment would be issued to the representative or as otherwise directed by the representative. However, in absence of sufficient documentation to support the authority of the representative to receive payment in their own right, the representative was informed that the Settlement payment would be made payable to the "Estate of the Settlement Class Member".

2. Minor Settlement Class Members: Personalized Claim Forms that were signed by representatives of a minor Settlement Class Member where the representatives' names appeared on the Class List as the "Care of" or "C/O" party for the minor were deemed to be sufficient and complete. If the representative's name did not appear on the Class List, then the Claims Administrator requested documentation showing the representative's authority to act on behalf of the minor Class Member, such as the minor's birth certificate or adoption papers that identified the representative as a parent.

b. Processing Claims from Listed Class Members Who *Disagree* with the Loss as shown on the Claim Form.

i. Claimants Who Provided Documentation. The Claims Administrator reviewed all submitted documentation. The Claims Administrator's initial review did not find any instances where documents submitted by

claimants could support a Loss greater than the amount reported by Defendants. Before concluding its review, the Claims Administrator summitted all disputed claims to the Parties' counsel, along with documentation provided by Claimants, and requested that the Parties review their records and search for additional information bearing on the Class Member's Loss. In all instances the Parties informed the Claims Administrator that there was no additional information that would support an increase in the reported Loss.[3] The Claims Administrator finalized its initial determination and sent a letter to each of these Claimants informing them that (A) their dispute was denied, (B) their claim was accepted for the Loss as determined by Defendants, and (C) they had the right to appeal the Claims Administrator's decision to the Court within 21 days of our determination. Instructions for filing an appeal with the Court were included in the Claims Administrator's letter. For those Claimants who submitted Late Claims, they were also informed that the Court would determine if Late Claims would be eligible to receive payments from the Settlement.

ii. Claimants Who Failed to Provide Documentation. When Claimants failed to provide any documentation in support of their disagreement with the

[3] In one instance Defendants informed the Claims Administrator that a reported Loss should be reduced for a Claimant who had requested a review of their claim. Defendants noted that they had erroneously assigned the Loss amount for this Claimant. The Claims Administrator determined that the Claimant should not be penalized for having requested a review of their Loss. The Loss determined for this Claimant will remain unchanged from the amount as originally presented by Defendants on the Class List.

reported Loss, the Claims Administrator followed up with a request to the Claimant for documentation to support their dispute. If documentation was subsequently provided, then the process outlined above in ¶ 16.b.i was followed. If no supporting documentation was provided, then the Claims Administrator sent a letter to the Claimant informing them that (A) their dispute was denied, (B) their claim was accepted for the Loss as determined by Defendants, and (C) they had the right to appeal our decision to the Court within 21 days of our determination. Instructions for filing an appeal with the Court were included in the Claims Administrator's letter.

c. Processing Claims Submitted by Persons Who are Not Listed Class Members - Website Claim Forms. Persons who are not Listed Class Members did not receive a Claim Form in the mail. Instead, they obtained a Website Claim Form from the Settlement Website. The Website Claim Form is a generic form that identified the Class Member Loss as "Unknown" and directed persons using the form to: (i) properly identify themselves as members of the Settlement Class, (ii)provide the amount of their Class Member Loss and (iii) provide documentation to support their claimed Loss. Website Claim Forms received by the Claims Administrator were processed as follows:

    i. With Documentation. The Claims Administrator reported the claim to the Parties and requested that the Defendant review its billing records to determine if the claimant qualified as a member of the Settlement Class. For all submissions the Defendants had no records for these claimants that

would qualify them as Class Members. For all submissions the Claims Administrator determined, after reviewing the submitted documentation, that there was insufficient proof was provided to support Class membership. The Claims Administrator sent letters to these claimants informing them that their claim was denied. The letter also provided these claimants with information on how to appeal our decision to the Court.

ii. Without Documentation Regardless of Agreeing or Disagreeing with the Class Member Loss of "Unknown". The Claims Administrator reported the claim to the Parties and requested that the Defendant review its billing records to determine if the claimant qualified as a member of the Settlement Class. For all submissions the Defendants had no records for these claimants that would qualify them as Class Members. With these claimants submitting no documentation to support their claimed membership in the Settlement Class, the Claims Administrator informed all of these claimants that their claim was denied. These claimants were also provided information on how to appeal our claim determination to the Court.

d. Bot-Generated Claims. "Bots" are a special class of persons/entities who are not Listed Class Members. In recent years "Bots" (short for robots) have been using AI-assisted programs to submit fraudulent claims in class-action settlements.[4] In

the current settlement the Claims Administrator identified 18,940 claims with the characteristics of being programmatically generated and submitted by Bots and not by legitimate Claimants. The Claims Administrator identified the following characteristics of these claims that pointed to their Bot origins:

i. All of these claims were submitted by email over a short period of time using a Hotmail.com email address. Hotmail.com (now part of Outlook.com) is a domain that has been historically associated with bot-sent emails and spam campaigns.[5]

ii. The volume of these email submissions from Hotmail.com accounts raised a red flag. These claims aggregated to ***over eight (8) times*** the size of the entire Class List.

iii. The email subject lines of these thousands of emails were nearly all identical or substantially similar, using the phrase "Authorized Mary Black Claim Form Submission" or "Completed and Signed Mary Black Settlement Claim Form" or "Submitted Mary Black Claim Form Submission" or other minor variations of the same text.[6]

[6] The Claims Administrator reviewed the subject lines of 100% of the identified Bot-generated claims. Bots employed ten (10) subject-line variations: "Authorized Mary Black Claim Form Submission", "Completed and Signed Mary Black Settlement Claim Form", "Completed Mary Black Claim Form Submission", "Finalized Mary Black Settlement Claim Form", "Formal Mary Black Claim Form Submission", "Prepared Mary Black Settlement Claim Form", "Official Mary

iv. All of these claim submissions utilized the Website Claim Form which was readily available from the Settlement Website without proof of membership in the Settlement Class.[7]

v. The submitted Claim Forms all listed the Class Member Loss as "Unknown" and the Claimants checked the box on the Claim Form indicating their agreement with an unknown Class Member Loss.

i. The names of the Claimant identified in these emails rarely matched the email senders' name.

None of the identified Bot-generated claims were accepted for payment.

17. <u>Timely Claims - Results.</u> The Claims Administrator received 19,300 Timely Claims, consisting of the following:

a. 244 Listed Claims (for 208 Claimants whose names appear on the Class List, 36 duplicate claims received),

b. 116 "Unlisted" Claims (for 112 Claimants whose names do not appear on the Class List, 4 duplicate claims received), and

c. 18,940 claims identified as Bot submissions (detailed above at section 16.D).

Results for Timely Claims are as follows:

Black Claim Form Submission", "Signed Mary Black Settlement Claim Form", "Submitted Mary Black Claim Form Submission", and "Verified Mary Black Settlement Claim Form".

[7] The Claims Administrator proceeded in a cost-effective manner and examined in detail only a sampling of the Bot-submitted Claim Forms. To obtain a 95% confidence level for a population of 18,940 claims, the Claims Administrator examined in detail 380 Bot-submitted claims. *See*, e.g., "Confidence Intervals" available at http://www.stat.yale.edu/Courses/1997-98/101/confint.htm. This approach balanced statistical rigor with practicality and avoided dissipating Settlement Funds with administrative costs that would have been incurred with a detailed review of all 18,940 Bot-submitted claims.

As of the date hereof, the Claims Administrator has received 29 Late Claims, with an aggregate Loss of $22,009.10, consisting of the following:

a. 20 Listed Late Claims were received for 17 Claimants (3 duplicate claim submissions) whose Notice Package was sent a second time because the initial mailing had been sent to an address that proved to be undeliverable ("2nd Notice Late Claims");

b. 5 Listed Late Claims were received for 3 Claimants (2 duplicate claim submissions) who received prompt notice but responded after the submission deadline ("1st Notice Late Claims"); and

The Claims Administrator recommends approving the 20 Late Claims submitted by Listed Claimants and not approving the 9 Late Claims submitted by Unlisted Claimants. The Claims Administrator has submitted to Class Counsel a listing of all Late Claims, including the amounts recommended to be awarded to each Claimant.

19. **Appeal to the Court Regarding Claims Administrator's Determination**. As of the date hereof, only one (1) Claimant has informed the Claims Administrator of an appeal to the Court of the Claims Administrator's determination. The Claims Administrator received a copy of the Claimant's letter of appeal as shown on **Exhibit H** attached hereto Also included in **Exhibit H** is a copy of the Claim Form submitted by the Claimant. This Claimant is not on the Class List.

20. **Distribution of Settlement Funds**. The Settlement Agreement and Preliminary Approval Order provide for Settlement Funds totaling $2,250,000.00. Total funds available for distribution to Authorized Claimants will be determined after the Court rules on (A) whether to approve the proposed incentive awards of $10,000 to Jo Ann Blackwell, Michelene Brooks and Samuel H Owens, (B) the amount to be awarded to Class Counsel for fees and expenses, (C) whether to approve the Claims Administrator's recommendations for payment as outlined above, (D) whether Late Claims should be paid and, if so, which claims, and (E) the amount of notice and administrative expenses to be paid to the Claims Administrator.

21. **Fees of the Claims Administrator**. On July 24, 2026, the Claims Administrator submitted an invoice for notice services in the amount of $43,899.57. This amount was paid in full by Class Counsel. As of the date hereof the Claims Administrator has incurred additional fees and costs totaling $45,786.83 for continued notice services and for administration of the claims process. The Claims Administrator estimates that future fees and costs to be incurred in the final stages of administration and distribution of payments to Authorized Claimants will not exceed $15,000.

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

BASIC INFORMATION

1. Why did I get this notice package?

Records from the Defendants indicate that you or someone in your family (the "Patient") received medical treatment at the hospitals that were operated by Mary Black Health System, LLC (Mary Black Health System - Spartanburg) or and Gaffney H.M.A., LLC (Mary Black Health System - Gaffney) sometime from January 1, 2014 and the Defendants did not bill the Patient's valid health insurance provider for said treatment but instead sought payment from the Patient, or from the Patient's proceeds of a separate tort action, or from an at-fault third-party's insurance carrier. If that is true, then the Patient may be a Settlement Class Member.

This notice is to inform you about the Settlement that has been reached which may affect your rights, including your right to object to, or exclude yourself from the Settlement. You have the right to know about the Settlement and about your legal rights and options before the Court decides whether to approve the Settlement.

The Court in charge of this Lawsuit is the South Carolina Court of Common Pleas for Spartanburg County, and the case is known as *Blackwell, et al. v. Mary Black Health System, LLC et al., C. A. No. 2017-CP-42-00219*.

The people who brought the Lawsuit are called the Named Plaintiffs. They are Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr., and they alleged that they represented a class of similarly situated person, of which you may be a part.

The companies and the persons the Plaintiffs sued are called the Defendants. The Defendants are Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.

2. What is the Lawsuit about?

The class action Lawsuit asserts that the Defendants had a policy and practice of refusing to bill health insurance that impacted every member of the Settlement Class by interfering with Settlement Class Members' own relationships with their health insurance provider. The Lawsuit also alleges that the Defendants attempted to collect larger payments from Settlement Class Members than what the Defendants separately contracted to accept from the health insurance providers. The Defendants deny these allegations and deny that they are liable to Plaintiffs or the purported class in any way.

3. Why is this Lawsuit a class action?

In a class action, one or more people called Class Representatives or Named Plaintiffs (in this Lawsuit, Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr.) sue on behalf of not only themselves but other people who have similar claims. The Class Representatives and all of the people with similar claims are a class or class members. One court resolves the issues for all class members, except for those who exclude themselves from the class.

As part of this Settlement the Defendants have consented to the creation of a Settlement Class to distribute the Settlement proceeds.

ELECTRONICALLY FILED - 2026 Oct 29 4:40 PM - SPARTANBURG - COMMON PLEAS - CASE#2017CP4200219

4. Why is there a settlement?

Plaintiffs and the Defendants have determined that it is in their mutual best interest to settle this Lawsuit due to the uncertainties of trial, benefits of settlement, associated costs of continued litigation, likely appeals, and inconvenience and interference with personal matters and business operations. The Settlement was reached through lengthy negotiations between the parties.

The Court did not decide in favor of Plaintiffs or the Defendants. After a thorough investigation and discovery into the facts of this Lawsuit, Plaintiffs, and the Defendants agreed to the Settlement Agreement. The Class claims against the Defendants were settled because Class Counsel and Plaintiffs, acting as the Class Representatives, believe that the amount of the Settlement is fair and reasonable in light of the strength and weaknesses of the lawsuit and other factors.

WHO IS INCLUDED IN THE SETTLEMENT?

To see if you will get money from this Settlement, you first have to figure out if you are a Settlement Class Member.

5. How do I know if I am part of the Settlement?

For purposes of the Settlement, the Parties have agreed, and the Court has ruled that everyone whose circumstances align with the Settlement Class description is a Settlement Class Member:

> "All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy."

Based on information available to the Parties, if you have received this notice, you may be a Settlement Class Member. If you are a Settlement Class Member, you should read this notice carefully, and, if you wish to participate in the settlement recovery offered, you must comply with the requirements and deadlines set forth herein.

6. Are there exceptions to being included?

Excluded from the Class are: (1) All people who timely and validly exercise their right to opt out of the Settlement Class; (2) Employees of the Defendants; and (3) Employees of the Court and their immediate family.

7. I'm still not sure if I am included. What are my next steps?

If you are still not sure if you are included, or have any questions about the settlement, you can ask for free help. You can review helpful information at the website **www.MaryBlackClassAction.com** or call the Claims Administrator at **1-800-789-6490** for more information. Remember the deadline to submit a claim is **August 31, 2026**. Please do not call the Court.

THE SETTLEMENT'S BENEFITS

8. What does the Settlement provide?

The proposed Settlement establishes a $2,250,000 Gross Settlement Fund to be paid by Defendants in exchange for a release of all claims in the Lawsuit. After payment of the Class Representative Plaintiffs' Awards, costs of Notice and Class Settlement Administration, and Class Counsel's Attorneys' Fees and Costs, the remaining Net Settlement Fund will be used to pay valid claims on a *pro rata* basis.

This $2,250,000 Gross Settlement payment by Defendants represents the settlement terms negotiated by the parties and Class Counsel through arm's length negotiations and takes into account a balancing of the risk of going to trial and the amount of a potential verdict. You have the right to opt out of or exclude yourself from the settlement, and, if you exercise that right, you will receive nothing from this settlement.

9. How much will my payment be?

If the Settlement is approved by the Court, you may receive a monetary payment if you submit a valid and timely claim. The exact amount of the monetary payment to each Settlement Class Member is not currently known, but will be based on several factors, including (1) the amount of class-action expenses that are approved by the Court; (2) the number of Settlement Class Members who file valid and timely claims; and (3) the amount of net loss suffered by each and all Settlement Class Members who file claims and elect to receive monetary payments.

Payments will be made *pro rata* from funds available based upon each Class Member's Loss. Class Member's Loss is the amount determined to be what was paid by you, or on your behalf, to Mary Black Health System or Gaffney H.M.A., LLC for medical services rendered to you from January 1, 2014, which could have been billed to your health insurance provider. Presently, the maximum total aggregate amount of all the Class Members Losses is believed to be $2,036,538.28.

The Claim Form for most potential Settlement Class Members contains a number for that Class Member's Loss. This figure is based upon business records obtained by Class Counsel. If you disagree with your Class Member's Loss or the Class Member's Loss is listed as "UNKNOWN," you must state the amount you believe to be your Class Member's Loss, and you must also provide any documents or evidence you have which supports your claim. Within 30 days of receiving your claim, the Claims Administrator will notify you whether your claim is accepted, partially accepted, or rejected. If the Claims Administrator rejects your claim, or if you disagree with the approved amount, you may apply to have the Court determine the amount of your claim.

SETTLEMENT CLASS MEMBERS WHO DO NOT TIMELY SUBMIT VALID CLAIM FORMS WILL BE DEEMED TO HAVE WAIVED ANY RIGHT TO RECEIVE SETTLEMENT BENEFITS INCLUDING PAYMENTS BUT WILL STILL BE BOUND BY THE TERMS OF THE SETTLEMENT.

10. How can I get a monetary payment?

If you agree with the reported Class Members Loss listed on your Claim Form and you have no objections to the Settlement, then to be eligible to receive your final *pro rata* share of the benefits of the Mary Black Class Settlement, you must complete, sign, date, and return your Claim Form such that it is postmarked or emailed **by no later than August 31, 2026** to:

If your claim is confirmed and the Court approves the settlement, you will then receive your benefits of the settlement.

11. When would I get my payment?

If the Court grants final approval to the Settlement and after any appeals are resolved, the *pro rata* Settlement payments will be distributed to approved claims. If the Court approves the Settlement after the hearing on **October 27, 2026**, there may be appeals. We don't know how much time it could take to resolve any appeals that may be filed. Information will be posted online at www.MaryBlackClassAction.com.

REMAINING IN THE SETTLEMENT CLASS

12. What am I giving up if I stay in the Settlement Class?

If you do not submit a complete and timely written request for exclusion, you will stay in the Settlement Class, and that means that you can't sue, continue to sue, or be part of any other lawsuit against the Defendants about the legal and factual issues in *this* case; namely your claim against Defendants related to the payment for the medical services rendered to you (see Question 2). It also means that all of the Court's orders will apply to you and legally bind you. If you sign the Claim Form, you will agree to a "Release," attached to the Claim Form, which describes exactly the legal claims you give up if you participate in the Settlement Class.

EXCLUDING YOURSELF FROM THE SETTLEMENT

13. Who has the right to be excluded?

If you are a Settlement Class Member and you don't wish to benefit from this settlement, but you want to maintain any potential right you may have to sue the Defendants, on your own, about the legal and factual issues in this case, then you must take steps to opt-out of the Settlement. This is called excluding yourself or is sometimes referred to as opting out of the settlement class.

14. How do I exclude myself from the Settlement Class?

To exclude yourself from the Settlement, you must send a letter by mail that includes the following:

1. Your full name, current mailing address and telephone number;
2. A statement saying that you "want to exclude yourself from the Settlement Class in *Blackwell, et al. v. Mary Black Health System, LLC, et al.* (C.A. No. 2017-CP-42-00219)"; and
3. Be signed and dated by you.

To be valid, exclusion requests must be mailed with a postmark on or before **August 31, 2026.**
Mailed exclusion requests should be sent to:

Mary Black Exclusions

P.O. Box 455
Hingham, MA 02043

No request for exclusion will be considered valid unless all of the information described above is included. No further opportunity to request exclusion will be given in this Lawsuit unless ordered by the Court. If you choose to be excluded from the Settlement Class, you will not: (a) be entitled to any Settlement payment; (b) be able to object to the Settlement; (c) be legally bound by any judgment entered in the Lawsuit; and (d) be precluded from suing the Defendants in the future, if your rights have not expired by operation of law.

After the number of opt outs has been determined, the Defendants can terminate the settlement if any of the Defendants decides that the number of opt outs is excessive.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer representing me in this Lawsuit?

The law firms of John B. White, Jr. P.A., and the Simmons Law Firm, LLC, have represented you and other Settlement Class Members throughout the course of this Lawsuit. These lawyers are called Class Counsel. You will not be charged by or for the services of these lawyers; however, they will be compensated from the gross settlement proceeds as approved by the Court. If you want to be represented by your own lawyer, you may hire one at your own expense.

16. How will the lawyers be paid?

Class Counsel will apply for an attorneys' fee of approximately forty percent (40%) of the Gross Settlement Fund, which would be paid out of the $2,250,000 Gross Settlement Fund. Class Counsel will also apply for reimbursement of expenses of estimated to be approximately Fifty Thousand Dollars ($50,000), and seek incentive payments for each of the Named Plaintiffs of $10,000. The total incentive payments will not exceed $30,000. Class Counsel spent considerable time and effort prosecuting this Lawsuit. They undertook the Lawsuit without cost to the Class Members, advancing all expenses. They did so with the understanding that they would be paid only if they were successful in recovering benefits for the Class.

OBJECTING TO OR COMMENTING ON THE SETTLEMENT, PLAN OF DISTRIBUTION, ATTORNEYS' FEES AND LAWSUIT EXPENSES, AND AWARDS TO CLASS REPRESENTATIVES

You can tell the Court that you don't agree with the settlement or some part of it.

17. How do I tell the Court that I don't like the Settlement?

If you are a Settlement Class Member and you do not like any part of the Settlement including the Class Counsel's fees and costs, you can ask the Court to deny approval by filing an objection. If you exclude yourself, you cannot object to the Settlement. You cannot ask the Court to order a different settlement; the Court can only approve or reject the Settlement. You can give reasons why you think the Court should not approve it. The Court will consider your views. If your objection is rejected, you will be

3. A statement establishing your membership in the Settlement Class;
4. In clear and concise terms, the specific reasons for the objection, and any evidence or legal authority the Settlement Class Member believes supports the objection; and
5. Your signature.

If you are submitting a written objection, it must be submitted to the Court by mailing it to the Clerk of the Court for the South Carolina Court of Common Pleas for Spartanburg County at the address below, with copies mailed to Class Counsel and Settling Defendants' Counsel, so that it is **delivered or postmarked on or before August 31, 2026:**

You may, but need not, enter an appearance through counsel of your choice. If you do, you will be responsible for your personal attorney's fees and costs.

18. What if I do not object to the Settlement but I dispute the amount of Class Member Loss reflected on my Claim Form?

If you have no objection to the Settlement and wish to obtain the benefits of the Settlement but object to the amount of net loss reflected on your Claim Form, you must complete and return the Claim Form with the box checked regarding your claimed dispute and provide documentation that supports your claimed loss. The Claim Form and supporting documents must be returned to the Claims Administrator, (see address in Question 10), postmarked on or before **August 31, 2026**. You need to set forth your disagreement with the amount of Class Member Loss and provide all documentation supporting your position. The Claims Administrator will then deny, partially approve or approve your claim and provide you with notice of that determination. If you disagree with the Claims Administrator's determination, you will be given the opportunity to appeal to the Court. Instructions for filing such an appeal will be provided with the Claims Administrator's determination.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the settlement and to address any appeals of the Claims Administrator's determinations. You may attend and you may ask to speak, but you don't have to.

19. When and where will the Court consider the Settlement, the plan of distribution, request for attorneys' fees and litigation expenses, and award to Class Representatives?

On **October 27, 2026, at 11:00 a.m.**, a hearing will be held on the fairness of the proposed settlement (the "Fairness Hearing"). At the hearing, the Court will consider whether the settlement is fair, reasonable, and adequate, and the Court will also decide the amount of attorneys' fees and costs to be awarded. If there are any objections to the settlement or the request for attorneys' fees and costs, the Court will consider and rule upon them. The hearing will take place before the Honorable J. Mark Hayes, II, Circuit Court Judge, Seventh Judicial Circuit, at 180 Magnolia St, Spartanburg, SC 29306. After the hearing, the Court will decide whether to approve the settlement. We do not know how long these decisions will take.

20. Do I have to come to the hearing?

Class Counsel will answer questions the Court may have at the Fairness Hearing. But you are welcome to come to the Fairness Hearing at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend the Fairness Hearing, but it's not necessary.

21. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you would have to do the following by **October 17, 2026**: (1) provide a written notice to the Clerk of Court indicating that you intend to be heard at the Fairness Hearing; (2) indicate the basis for your appearance along with a statement that indicates why you oppose or support the Settlement or certification of the Class; and (3) provide a copy of such written notice and any related briefs, documentation, or other materials to the Court, Class Counsel, and Settling Defendants' Counsel. The written notice must contain your full name and current mailing address.

22. What happens if the Court approves the proposed Settlement?

If the Court approves the proposed Settlement, it will enter a judgment that will dismiss the claims of all Settlement Class Members covered by the Settlement Agreement who did not opt out on the merits and with prejudice as to those claims. All non-excluded Settlement Class Members, as well as their respective heirs, personal representatives, agents, attorneys, parent, subsidiary, and/or affiliate corporations, shareholders, directors, officers, joint venturers, partners, trustees, receivers, insurers, reinsurers, servants, employees, representatives, administrators, successors, predecessors, and assigns shall be forever barred from prosecuting their own lawsuits and shall be deemed to have released (a) Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; Gaffney H.M.A., LLC; CHSPSC, LLC; and Professional Account Services, Inc.; (b) any person, partnership, firm, corporation, limited liability company, trust, organization, or other entity in which the Defendants have a controlling interest or which is or was legally related to or affiliated with the Defendants; and (c) with respect to each of the Persons in subsections (a) and (b), their respective past or present members, managers, directors, officers, employees, insurers, reinsurers, sureties, attorneys, agents, partners, principals, advisors, investment advisors, auditors, accountants, trustees, and any other entity in which any corporate parent has a controlling interest or which is or was related to or affiliated with any such parent, successors and predecessor entities, the heirs, and members of their Immediate Family, and anyone acting or purporting to act for or on behalf of any of them or their successors from all claims, causes of action, or losses of any kind whatsoever that Settlement Class Member has or may claim to have against the Defendants and their affiliates that related to any of the conduct that has or could have been alleged or otherwise referred to in the this lawsuit.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you'll get no money from this settlement. But, unless you exclude yourself, you won't be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendants about the legal and factual issues in this case, ever again.

LEGAL NOTICE

If You Received Medical Treatment at Mary Black Memorial Hospital or Gaffney H.M.A. in South Carolina from January 1, 2014, and Your Medical Bills Were Not Submitted to Your Health Insurance Provider, You Could Be Eligible to Benefit from a Class Action Settlement Valued at $2.25 Million.

A settlement has been proposed in a class action lawsuit against Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc. ("Defendants" or "Settling Defendants") arising from and regarding individuals who received healthcare treatment at the hospitals that were operated by Mary Black Health System, LLC (Mary Black Health System - Spartanburg) and/or Gaffney H.M.A., LLC (Mary Black Health System - Gaffney) while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Who's Included?

You are a Class Member if you fit the following description: All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Excluded from the Class are: (1) people who timely exercise their right to opt out of the Settlement; (2) employees of the Settling Defendants; and (3) employees of the Court and their immediate family.

What's This About?

The class action lawsuit asserts that the Defendants had a policy and practice of refusing to bill health insurance that impacted every member of the Settlement Class by interfering with Settlement Class Members' own relationships with their health insurance provider. The Lawsuit also alleges that the Defendants attempted to collect larger payments from Settlement Class Members than what the Defendants separately contracted to accept from the health insurance providers. The Defendants deny these allegations and deny that they are liable to Plaintiffs or the purported class in any way.

What Does The Settlement Provide?

In exchange for full releases, the Settling Defendants have agreed to create a Gross Settlement Fund to be paid by Defendants in exchange for a release of all claims in the Lawsuit. After payment of the Class Representative Plaintiffs' Awards, costs of Notice and Class Settlement Administration, and Class Counsel's Attorneys' Fees and Costs, the remaining Net Settlement Fund will be used to pay valid claims on a *pro rata* basis. A Settlement Agreement, available at the website below, describes all of the details about the proposed settlement.

How Do You Ask For A Payment?

A detailed notice and claim form package contains everything you need. Just call or visit the website below to request one. To qualify for a payment, you must send in a claim form. **Claim forms are due by August 31, 2026.**

What are your Other Options?

If you don't want to be legally bound by the settlement, you must exclude yourself by August 31, 2026, or you won't be able to sue, or continue to sue the Settling Defendants about the legal claims in this case. If you exclude yourself, you can't get money from this settlement. If you stay in the settlement, you may object to it by August 31, 2026. The detailed notice explains how to exclude yourself or object. If you do nothing at all, you will not receive any benefits of the settlement and will lose your right to pursue the Settling Defendants for your losses.

The Court will hold a hearing in this case, *Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr., individually and on behalf of all others similarly situated, v. Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.* (C.A. No. 2017-CP-42-00219), on October 27, 2026, to consider whether to approve (i) the settlement; and (ii) a request by the lawyers representing all Class Members (John B. White, Jr. P.A., and the Simmons Law Firm, LLC) for an attorneys' fee of approximately forty percent (40%) of the Gross Settlement Fund and costs, for investigating the facts, litigating the case, and negotiating the settlement. You may ask to appear at the hearing, but you don't have to. LEGAL NOTICE

If You Received Medical Treatment at Mary Black Memorial Hospital or Gaffney H.M.A. in South Carolina from January 1, 2014, and Your Medical Bills Were Not Submitted to Your Health Insurance Provider, You Could Be Eligible to Benefit from a Class Action Settlement Valued at $2.25 Million.

A settlement has been proposed in a class action lawsuit against Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc. ("Defendants" or "Settling Defendants") arising from and regarding individuals who received healthcare treatment at the hospitals that were operated by Mary Black Health System, LLC (Mary Black Health System – Spartanburg) and/or Gaffney H.M.A., LLC (Mary Black Health System - Gaffney) while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Who's Included?

You are a Class Member if you fit the following description: All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Excluded from the Class are: (1) people who timely exercise their right to opt out of the Settlement; (2) employees of the Settling Defendants; and (3) employees of the Court and their immediate family.

What's This About?

The class action lawsuit asserts that the Defendants had a policy and practice of refusing to bill health insurance that impacted every member of the Settlement Class by interfering with Settlement Class Members' own relationships with their health insurance provider. The Lawsuit also alleges that the Defendants attempted to collect larger payments from Settlement Class Members than what the Defendants separately contracted to accept from the health insurance providers. The Defendants deny these allegations and deny that they are liable to Plaintiffs or the purported class in any way.

What Does The Settlement Provide?

In exchange for full releases, the Settling Defendants have agreed to create a Gross Settlement Fund to be paid by Defendants in exchange for a release of all claims in the Lawsuit. After payment of the Class Representative Plaintiffs' Awards, costs of Notice and Class Settlement Administration, and Class Counsel's Attorneys' Fees and Costs, the remaining Net Settlement Fund will be used to pay valid claims on a *pro rata* basis. A Settlement Agreement, available at the website below, describes all of the details about the proposed settlement.

How Do You Ask For A Payment?

A detailed notice and claim form package contains everything you need. Just call or visit the website below to request one. To qualify for a payment, you must send in a claim form. **Claim forms are due by August 31, 2026.**

What are your Other Options?

If you don't want to be legally bound by the settlement, you must exclude yourself by August 31, 2026, or you won't be able to sue, or continue to sue the Settling Defendants about the legal claims in this case. If you exclude yourself, you can't get money from this settlement. If you stay in the settlement, you may object to it by August 31, 2026. The detailed notice explains how to exclude yourself or object. If you do nothing at all, you will not receive any benefits of the settlement and will lose your right to pursue the Settling Defendants for your losses.

The Court will hold a hearing in this case, *Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr., individually and on behalf of all others similarly situated, v. Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.* (C.A. No. 2017-CP-42-00219), on October 27, 2026, to consider whether to approve (i) the settlement; and (ii) a request by the lawyers representing all Class Members (John B. White, Jr. P.A., and the Simmons Law Firm, LLC) for an attorneys' fee of approximately forty percent (40%) of the Gross Settlement Fund and costs, for investigating the facts, litigating the case, and negotiating the settlement. You may ask to appear at the hearing, but you don't have to. For more information, call toll free 1-800-789-6490, visit the website www.MaryBlackClassAction.com, or write to admin@MaryBlackClassAction.com.

County receives $1.3 million grant

By LARRY HILLIARD
Ledger Staff Writer
larry@gaffneyledger

The county is hoping a grant will help bridge a funding gap to … repair bridges.

According to a press release, Cherokee County received a $1.3 Million Federal BUILD Grant.

The grant will develop construction-ready ("shovel-ready") plans for the replacement or installation of 17 county-owned bridges and creek crossings throughout Cherokee County.

"While we were not selected for construction funding this round for the Brick House Road bridge replacement project, this award is a tremendous step forward for our county," the press release said.

"One of the biggest challenges local governments face when pursuing large infrastructure grants is that many federal and state funding opportunities require projects to be "shovel ready" before they can be competitive for construction funding. Engineering, environmental reviews, permitting, and construction plans can cost hundreds of thousands of dollars—often making it difficult for smaller counties to compete. This grant allows Cherokee County to complete those critical planning documents for 17 bridge and creek crossing projects, creating a pipeline of projects that will be ready to compete for future grant opportunities," the press release said.

In total, these infrastructure improvements are estimated to require more than $8 million in construction funding.

Projects included in this planning grant include:

It's here! R U ready for some football?

By LARRY HILLIARD
Ledger Sports Editor
larry@gaffneyledger.com

The Gaffney Indians will participate in their own version of Midnight Madness when they open fall practice at 12:01 a.m. Thursday morning.

High school football starts early this season.

Real early.

Especially for the Gaffney Indians, who will begin practice at 12:01 a.m. Thursday, July 30.

The Indians will meet at 11 p.m. for a one-hour lifting session before taking the field just after midnight for the start of fall practice.

Gaffney coach Donnie Littlejohn said the players came up with the idea for their version of Midnight Madness.

"They are excited about it," Littlejohn said.

The Indians will practice for an hour with shorts, T-shirts and helmets.

The Indians will wear shoulder pads beginning on the third practice.

"The players have worked hard since January and we are stronger and faster," the coach said.

The Indians will host Hillcrest for their first scrimmage on Thursday, Aug. 6 at 6 p.m.

The jayvees will scrimmage York here on Friday, Aug. 7.

The Indians will return to the field, Monday, Aug. 10 to play Northwestern in the McDonald's Çlassic before playing in another jamboree on Friday, Aug. 14 at York High against Clover in the Billy Rose Jamboree. The jayvees and ninth grade will participate in a jamboree at Northwestern on Thursday, Aug. 13.

Gaffney football season ticket sales start July 27

Athletic director Malcolm Long provided a quick clarification regarding the pricing for the 2026 Gaffney High School Football Season Tickets.

The $8 price is per ticket, per game. With five (5) home games on this year's schedule, the total cost of a season ticket is calculated by multiplying the number of seats by the five home games.

Examples:

• 1 Season Ticket (1 seat): $8 × 5 home games = $40

• 5 Season Tickets (5 seats): $40 × 5 seats = $200

We wanted to make sure everyone had a clear understanding of the pricing before season ticket sales began.

Thank you for your continued support of Gaffney High School Athletics and our football program. We look forward to seeing you at The Reservation this fall!

Football Preview Special Section coming in August

LEGAL NOTICE

If You Received Medical Treatment at Mary Black Memorial Hospital or Gaffney H.M.A. in South Carolina from January 1, 2014, and Your Medical Bills Were Not Submitted to Your Health Insurance Provider, You Could Be Eligible to Benefit from a Class Action Settlement Valued at $2.25 Million.

A settlement has been proposed in a class action lawsuit against Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc. ("Defendants" or "Settling Defendants") arising from and regarding individuals who received healthcare treatment at the hospitals that were operated by Mary Black Health System, LLC (Mary Black Health System - Spartanburg) and/or Gaffney H.M.A., LLC (Mary Black Health System - Gaffney) while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Who's Included?

You are a Class Member if you fit the following description: All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Excluded from the Class are: (1) people who timely exercise their right to opt out of the Settlement; (2) employees of the Settling Defendants; and (3) employees of the Court and their immediate family.

What's This About?

The class action lawsuit asserts that the Defendants had a policy and practice of refusing to bill health insurance that impacted every member of the Settlement Class by interfering with Settlement Class Members' own relationships with their health insurance provider. The Lawsuit also alleges that the Defendants attempted to collect larger payments from Settlement Class Members than what the Defendants separately contracted to accept from the health insurance providers. The Defendants deny these allegations and deny that they are liable to Plaintiffs or the purported class in any way.

What Does The Settlement Provide?

In exchange for full releases, the Settling Defendants have agreed to create a Gross Settlement Fund to be paid by Defendants in exchange for a release of all claims in the Lawsuit. After payment of the Class Representative Plaintiffs' Awards, costs of Notice and Class Settlement Administration, and Class Counsel's Attorneys' Fees and Costs, the remaining Net Settlement Fund will be used to pay valid claims on a *pro rata* basis. A Settlement Agreement, available at the website below, describes all of the details about the proposed settlement.

How Do You Ask For A Payment?

A detailed notice and claim form package contains everything you need. Just call or visit the website below to request one. To qualify for a payment, you must send in a claim form. **Claim forms are due by August 31, 2026.**

What are your Other Options?

If you don't want to be legally bound by the settlement, you must exclude yourself by August 31, 2026, or you won't be able to sue, or continue to sue the Settling Defendants about the legal claims in this case. If you exclude yourself, you can't get money from this settlement. If you stay in the settlement, you may object to it by August 31, 2026. The detailed notice explains how to exclude yourself or object. If you do nothing at all, you will not receive any benefits of the settlement and will lose your right to pursue the Settling Defendants for your losses.

The Court will hold a hearing in this case, *Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr., individually and on behalf of all others similarly situated, v. Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.* (C.A. No. 2017-CP-42-00219), on October 27, 2026, to consider whether to approve (i) the settlement; and (ii) a request by the lawyers representing all Class Members (John B. White, Jr. P.A., and the Simmons Law Firm, LLC) for an attorneys' fee of approximately forty percent (40%) of the Gross Settlement Fund and costs, for investigating the facts, litigating the case, and negotiating the settlement. You may ask to appear at the hearing, but you don't have to. For more information, call toll free 1-800-789-6490, visit the website www.MaryBlackClassAction.com, or write to admin@MaryBlackClassAction.com.

LEGAL NOTICE

If You Received Medical Treatment at Mary Black Memorial Hospital or Gaffney H.M.A. in South Carolina from January 1, 2014, and Your Medical Bills Were Not Submitted to Your Health Insurance Provider, You Could Be Eligible to Benefit from a Class Action Settlement Valued at $2.25 Million.

A settlement has been proposed in a class action lawsuit against Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc. ("Defendants" or "Settling Defendants") arising from and regarding individuals who received healthcare treatment at the hospitals that were operated by Mary Black Health System, LLC (Mary Black Health System - Spartanburg) and/or Gaffney H.M.A., LLC (Mary Black Health System - Gaffney) while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Who's Included?

You are a Class Member if you fit the following description: All individuals who, from January 1, 2014, received any type of healthcare treatment from any entity located in South Carolina that is or was owned or affiliated with Defendants, including Mary Black Health System, LLC and Gaffney H.M.A., LLC, while being covered by valid health insurance (including but not limited to all commercial health insurance, Medicare, and Medicaid), and whose medical bills resulting from that treatment were not submitted to their health insurance provider for potential payment and instead the individual either had their recovery reduced as a result of Defendants' policy or paid Defendants as a result of the policy.

Excluded from the Class are: (1) people who timely exercise their right to opt out of the Settlement; (2) employees of the Settling Defendants; and (3) employees of the Court and their immediate family.

What's This About?

The class action lawsuit asserts that the Defendants had a policy and practice of refusing to bill health insurance that impacted every member of the Settlement Class by interfering with Settlement Class Members' own relationships with their health insurance provider. The Lawsuit also alleges that the Defendants attempted to collect larger payments from Settlement Class Members than what the Defendants separately contracted to accept from the health insurance providers. The Defendants deny these allegations and deny that they are liable to Plaintiffs or the purported class in any way.

What Does The Settlement Provide?

In exchange for full releases, the Settling Defendants have agreed to create a Gross Settlement Fund to be paid by Defendants in exchange for a release of all claims in the Lawsuit. After payment of the Class Representative Plaintiffs' Awards, costs of Notice and Class Settlement Administration, and Class Counsel's Attorneys' Fees and Costs, the remaining Net Settlement Fund will be used to pay valid claims on a *pro rata* basis. A Settlement Agreement, available at the website below, describes all of the details about the proposed settlement.

How Do You Ask For A Payment?

A detailed notice and claim form package contains everything you need. Just call or visit the website below to request one. To qualify for a payment, you must send in a claim form. **Claim forms are due by August 31, 2026.**

What are your Other Options?

If you don't want to be legally bound by the settlement, you must exclude yourself by August 31, 2026, or you won't be able to sue, or continue to sue the Settling Defendants about the legal claims in this case. If you exclude yourself, you can't get money from this settlement. If you stay in the settlement, you may object to it by August 31, 2026. The detailed notice explains how to exclude yourself or object. If you do nothing at all, you will not receive any benefits of the settlement and will lose your right to pursue the Settling Defendants for your losses.

The Court will hold a hearing in this case, *Jo Ann Blackwell, Michelene Brooks, and Samuel H. Owens, Jr., individually and on behalf of all others similarly situated, v. Mary Black Health System, LLC, d/b/a Mary Black Memorial Hospital; CHSPSC, LLC; and Professional Account Services, Inc.* (C.A. No. 2017-CP-42-00219), on October 27, 2026, to consider whether to approve (i) the settlement; and (ii) a request by the lawyers representing all Class Members (John B. White, Jr. P.A., and the Simmons Law Firm, LLC) for an attorneys' fee of approximately forty percent (40%) of the Gross Settlement Fund and costs, for investigating the facts, litigating the case, and negotiating the settlement. You may ask to appear at the hearing, but you don't have to.
